FROM:

[redacted]  
Chief, Management and Plans Branch, OC-MLS

SUBJECT: Weekly Staff Notes, 30 August - 5 September 1987

1. General:

a. The President has recently signed National Security Decision Directive 277 (NSDD-277) which is titled "National Policy and Strategy for Low Intensity Conflict" (LIC). As a result of the NSDD, five working groups have been formed to address specific issues. The steering committee for the Telecommunications Working Group met 2 September to discuss initial goals and objectives. The committee was chaired by Mr. John Grimes, Director of Telecommunications. National Security Council. [redacted] attended from the Office of Communications. The first responsibility of all of the committees is to jointly prepare a Presidential Report to the Congress on LIC by mid-October.

b. [redacted] provided a briefing to [redacted] Office of Logistics CT, on Office and MLS activities.

2. Liaison Activities:

a. [redacted] attended a meeting of the National Communications System (NCS) Funding Allocation Subcommittee (FAS) on 3 September. The FAS was established by the NCS Council of Representatives to examine alternate methods for funding the National Level Program (NLP). After examining 16 different methods over the last several meetings, the subcommittee has narrowed its choices to three. These three will be further examined with a recommendation to cover the
